Mario has your father  
locked in a cage.

Collect all the keys to free Donkey Kong.

Be alert! Mario has lots of  
tricks under his hat.

## SAVE THE BIG APE!

Mario has gone stark raving bonkers and locked your lovable father, Donkey Kong, in a cage. You must steal the keys to the cage from that tyrant Mario, and set your papa free. But it's not so easy, Mario plays tough. This off-the-wall monkey business will have you going bananas.

Game Boy® Advance  
and e-Reader  
sold separately.

It's video game software on cards! Plug the e-Reader accessory from Nintendo into a Game Boy® Advance system, scan the cards through the e-Reader and get ready to play! Both are required in order to scan data on e-Reader cards. Many e-Reader card games are available, and more are on the way!

Look for the e-Reader icon on compatible card packs.
